Choose your own for each of the following.

- * Boots and mouth guard are required.
- * Either style boot is fine, but we generally wear metal cleats for a good grip on softer ground.
The most important factor is that you are comfortable in them.

or

Boots rubber cleats www.worldrugbyshop.com/departments-footwear-firm-ground-rugby-boots.html

Mouth guard www.worldrugbyshop.com/departments-protective-gear-mouthguards.html

Other items, not required:

Practice Ball www.worldrugbyshop.com/departments-balls-world-team-rugby-balls.html

*The club provides practice balls for all players, but many guys like to also have one of their own.
